pH-neutral, therefore skin-friendly
Contains skin-protecting ingredient panol
Solvent-free
Soap-free

Physical & chemical data

Base: Special combination
Colourname: beige
Smell: Citrus
Flash point: n.a.
Storage stability: 30 m
Content:
- 10,00 L
- 500 ML

How to use

Wet your palm of hands, take a small portion of the hand cleaner (2 - 4 g) and rub it in.
Then add water and continue to rub in till the soiling dissolves.
Finally rinse with a lot of water and carefully dry hands.

Environmentally sound

European Aerosols is committed to apply formulations without restricted or critical ingredients and to achieve best possible performance. The caps and packagings are made of recyclable material.

Disposal

Only the completely emptied cans should be put into the recycling skip or appropriate container for reclaimable refuse. Cans which are not empty should be disposed off as “special refuse”.

Marking/Labelling

All products made by European Aerosols comply with the actual labelling regulations according to Preparation Guideline 1999/45/EG. All aerosols correspond to TRGS 200 and TRG 300 as well as to aerosol guideline 75/324/EWG in the actually valid version.

As of January 26, 2026 – This release replaces all eventually earlier issued versions.
