

QUICK WAX PLUS

Description:

Highly concentrated, high performance car wax; good quality/price ratio. It disaggregates the water layer quickly and makes the water drops slip away easily. In summertime it avoids the halo left by water drops on cars.

Directions for use:

Dilution:

Automatic: 10-30 ml / car

Pre-dilution:

Pre-dilution is not recommended.

Add pure.

The storage method and water quality can influence the shelf life of the solution.

Warnings:

When handling the product, observe the recommendations in the safety data sheet, the manufacturer's warnings for the devices and materials involved and, if necessary, test tolerability. Keep the container closed and use only caps with a passage for the tubing. Colour changes and cloudiness may occur due to the raw materials used, without this resulting in a decrease in performance and/or quality.

Warnings:

To handle the product, follow the precautionary advice on the safety data sheet.
