Product Full Name: Turtle Wax Carnauba Car Wax

Long form Description:

Turtle Wax Carnauba Cleaner Liquid Wax provides the highest level of Super Hard Shell shine and protection, and is developed for the auto enthusiast requiring maximum cleaning performance, shine and protection in the form of an easy to use pourable liquid. Carnauba Liquid Wax is formulated for use on all conventional and clear coat finishes – new or old. The easy-on, easy-off formula whisks away surface scratches and contamination quickly, leaving behind a durable, water-resistant, high-gloss protective coating which lasts and lasts. Proprietary resin technology efficiently heals scratches and swirl marks for ultimate paint clarity. The resulting hydrophobic barrier helps fend off harmful attacks from contaminants, acid rain and other extreme environmental conditions as the occlusive barrier seals the vehicles surface.
