- Formulated to make glass easier to clean with lasting water repellency
- Formulated with hydrophobic Extreme Shield + Ceramic technology
- Creates an invisible protective barrier using SiO2-based technology to repel water, clean and protect which helps exterior glass stay clean longer than untreated surfaces
- Helps prevent snow, ice, sleet and road spray from sticking to glass
- Fast, easy-to-use aerosol with a multi-directional sprayer gives you uniform coverage on all exterior glass surfaces
- Provides streak-free clarity
