Product Full Name: Power Out! Leather Cleaner and Conditioner

Long form Description:

Power Out! Leather Cleaner and Conditioner is the most powerful cleaner and conditioner with exclusive Odor-X technology. Revitalizing foam infused with natural conditioners restores leather to the softest feel. The formula gently softens and helps prevent leather surfaces from cracking caused by the rages of time, wear and over-exposure to the sun's damaging rays. Foam consistency allows the cleaner to seep into perforated leather, to deeply clean and condition seams heated seats. Power Out! Leather Cleaner and Conditioner comes with an integrated scrubbing brush cap. Its soft, flexible bristles gently agitate embedded dirt even in hard to reach areas such as stitching to a thorough clean. Exclusive Odor-X technology neutralizes and eliminates odors caused by smoke, pets, coffee, food, spills and more for up to 30 days!

Short Description:

Power Out! Leather Cleaner and Conditioner is the most powerful cleaner and conditioner with exclusive Odor-X technology. Revitalizing foam infused with natural conditioners restores leather to the softest feel. The formula gently softens and helps prevent leather surfaces from cracking caused by the rages of time, wear and over-exposure to the sun's damaging rays. Exclusive Odor-X technology neutralizes and eliminates odors caused by smoke, pets, coffee, food, spills and more for up to 30 days!

5 Bullets:

- Integrated scrub brush gently cleans leather stitching to remove the dirt that other products ignore
- Soft, flexible bristles exclusively engineered for gentle leather cleaning
- Luxurious foam infused with natural conditioners for the softest, like-new feel
- Preserves leather against fading, ageing and cracking
- Seeps into perforated leather to clean & condition heated seats
- Removes set-in coffee stains, blue jeans stains and more
- Odor-X Technology Seeks & Destroys odors for up to 30 days

Product Usage

How To Use:

1. Shake the can and spray a light coat of foam on leather seats or the areas to be cleaned and conditioned.
2. Use the Integral Scrub Brush to reach into cracks and crevices for thorough cleaning. Rub brush in a back and forth motion one section at a time.
3. Immediately wipe with a soft cotton or microfiber towel.
4. Repeat steps 2-2 as necessary.

Turtle Tips:

For treated leather surfaces only. Not recommended for use on leather clothing or footwear. DO NOT use on suede, nubuck or alcantara.

Accessories:

Microfibre Cloth
