

presto Citrus Cleaner

Ord.-no.: 406072

Technical Information

High quality citrus cleaner to remove grease, tar, oil, wax, ink, resin, stickers and residues of glue from parts of treated and untreated metal, wood, stone and various types of plastic.

Quality & properties

- High dissolving properties
- Leaves no residue
- Slow evaporation
- Non-corrosive
- 360° valve

Physical & chemical data

- Colourname: transparent
- Vapour pressure: 3500/20 bar
- Flash point: n.a.
- Storage stability: 10 y
- Content: 0.366

How to use

- Bring can to room temperature.
- Operating temperature 5° to 30°C.
- Shake can for 2 minutes before use
- Before treatment, cover conductive parts and switch off electrical installations.
- For parts of treated metal and plastic, we advise to test the compatibility.
- Spray the parts to be treated and allow to take effect.
- Remove contaminations with a clean, non fluffy cloth or tissue.

Environmentally sound

European Aerosols is committed to apply formulations without restricted or critical ingredients and to achieve best possible performance. The caps and packagings are made of recyclable material.

Disposal

Only the completely emptied cans should be put into the recycling skip or appropriate container for reclaimable refuse. Cans which are not empty should be disposed off as "special refuse".

Marking/Labelling

All products made by European Aerosols comply with the actual labelling regulations according to Preparation Guideline 1999/45/EG. All aerosols correspond to TRGS 200 and TRG 300 as well as to aerosol guideline 75/324/EWG in the actually valid version.

As of March 27, 2024 – This release replaces all eventually earlier issued versions.
