

## MOTOSIERRAS SAE 30

### DESCRIPTION

*Lubricant oil specially formulated for the lubrication of the chains of all chainsaw machines and the like. Formulated with antioxidant, anticorrosive and other additives that guarantee total protection of the chassis and help in the prevention of saw chain failures. Its high adhesive power allows it to resist the effect of destruction of the oil film by the adjacent surfaces, as well as the fulfillment of the cutting functions.*

- ❖ *Excellent lubrication*
- ❖ *Good thermal stability*

### PHYSICAL AND CHEMICAL PROPERTIES

TYPE OF ANALYSIS	METHOD	RESULTS
<i>Grade</i>	<i>-----</i>	<i>Motosierras</i>
<i>Viscosity at 100°C, cst</i>	<i>ASTM D-445</i>	<i>9,3-12,5</i>
<i>Flash point min, °C</i>	<i>ASTM D-92</i>	<i>&gt;200</i>
<i>Sharp character</i>		<i>YES</i>
<i>Colour</i>	<i>ASTM D-1500</i>	<i>AMBER</i>

### PRESENTATION

*Available packaging 5L, 25L, 60L, 204L y 1000L*
