Product Full Name: Long form Description:

Turtle Wax Clear Vue Glass Clean is a maximum strength glass clean formula for both interior, exterior glass and mirrored surfaces. It is specially formulated to achieve a clean streak free finish on automotive glass. Unlike conventional glass cleaners, Clear Vue Glass Cleaner does not contain ammonia, harsh surfactants, dyes or chemicals that can leave residues. Its surface-active agents quickly cut through the worst glass grime including bugs, road oils, salts and dirt on the outside to smoke, pet slobber, greasy dirt, and fingerprints on the inside. Clear Vue Glass Cleaner makes a light job of cleaning all these stains and achieving a streak free sparkle.

Short Description:

Turtle Wax Clear Vue Glass Clean is a maximum strength glass clean formula for both interior, exterior glass and mirrored surfaces. It is specially formulated to achieve a clean streak free finish on automotive glass. Its surface-active agents quickly cut through the worst glass grime including bugs, road oils, salts and dirt on the outside to smoke, pet slobber, greasy dirt, and fingerprints on the inside. Clear Vue Glass Cleaner makes a light job of cleaning all these stains and achieving a streak free sparkle.

5 Bullets:

- The formulation contains vinegar and streak free detergents to give a clear finish
- Versatile enough to use on internal glass to remove tobacco stains, finger marks and grime
- More powerful than standard household cleaners
- Can be used on headlights to remove ingrained grime, traffic film to improve visibility

Product Usage

How To Use:

- Spray sparingly onto surface
- Leave for 1 minute
- Wipe off with a microfibre cloth, folding to remove excess and buff to a streak free shine

Turtle Tips:

Use sparingly, a little goes a long way

Accessories:

Microfibre Cloth
