

X-SPUMONE GEL

Description:

CONCENTRATED PRE-WASH DETERGENT IN HIGH FOAM GEL.

Its dual concentration formula is specifically formulated to:

- Remove stubborn dirt from rims, bodywork and heavy vehicles.
- For those seeking a concentrated product.
- NO added NTA/POTASSIUM HYDROXIDE *.
- It forms a persistent foam that dries slowly in the warmer months and is easy to rinse off.
- It is not affected by hard water.
- Contains hydrating substances.
- Contains surfactants that comply with biodegradability criteria pursuant to Regulation (EC) 648/2004.

* Can contain traces.

Instructions for use:

DOSE:

- Mix the product well in water.
- Automatic washes: 4-20 ml/car.
- Self-service: 50% pre-dilute: 15-30 ml/car foam wash; 20-80 ml/car active foam pre-wash detergent.
- Spray system: Vehicles: 1:50 -1:100; Truck ≥ 1:25; Circles 1:20; Flies 1:30.
- Dewaxer: 1:10 – 1:15; rinse evenly and preferably with hot water.
- Foam lance: 1:4 – 1:9.

Attention not suitable for motorcycles. In the case of dark-coloured, old and oxidised paints, it is advisable to cool the surface with a jet of water before dispensing the product.

Pre-dilution:

The product can be pre-diluted.

The storage method and quality of the water can affect the duration of the pre-diluted solution.

Warnings:

When handling the product, observe the recommendations in the safety data sheet, the manufacturer's warnings for the devices and materials involved and, if necessary, test tolerability. Keep the container closed and use only caps with a passage for the tubing. The raw materials used may result in variations in colour and turbidity, without compromising the performance and/or quality of the product. In case of a high water temperature (>40°C) and/or water hardness (>4.5 mmol/L ≈ 25°dH), limescale build-up can be prevented by adding "Ca Clean".

Technical specifications:

Appearance and colour: blue liquid

Odour: characteristic

pH: 13.2 ± 0.5

Freezing point: > -5°C

Flash point: > 100°C

Relative density: 1.12 g/cm³ ± 0.05

Solubility in water: soluble

Solubility in oil: partially soluble

Storage:

In intact packaging and stored away from direct sunlight and frost.

Pack:

PACK	BOX	ITEM CODE
jerry can 5kg	-	78504
jerry can 25kg	-	78576
