

Technical Information

AUTOSOL® Aluminium Polish

Product information

Especially designed formular for aluminium which shines to a high gloss without scratching or hazing the surface. Ammonia-free-polish.

Application areas

Great for polishing aluminium, stainless steel, brass, copper and most of other metals.

Application

Apply a thin layer of AUTOSOL® Aluminium Polish and buff up with a soft cloth in a circular motion until a black residue forms. Then polish with a clean cloth to produce a brilliant shine.
