CREAM LEATHER BLACK ORCHID

Description:

Cream Leather by Fra-Ber is ideal for **repairing and restoring leather interiors like steering wheels and seats**, leaving them soft and supple**.** Main features:

- **Nourishing and moisturising leather treatment**: restores suppleness, softness and radiance to worn leathers;
- **Suitable for leather interiors:** ideal for use on seats and door panels in leather, imitation leather, Sky and vinyl;
- **Slows ageing**: regular treatment of leather over time preserves its elasticity, slowing the process of cracking and tearing;
- **Multi-fragrance**: it is available in a black orchid and leather fragrance;
- **Multi-format:** it is available in both fragrances in a 750 ml and 4.54 L format.

Direction for use:

We recommend using Cream Leather as a nourishing, moisturising and protective leather treatment after deep cleaning with Det Leather.

Main steps:

1. Spray the product from a distance of about 15 cm on the leather to be treated, or on a sponge or cloth;
2. Spread the product evenly with circular motions;
3. The application can be continued until fully absorbed, or left to dry before assessing whether to finish by wiping with a dry cloth.

Use: use the product pure.

Warnings:

When handling the product, observe the advice on the safety data sheet.
