

## MOTIP Chain Cleaner Gel

## Technical Information

Clean chains and sprockets of your bike easily with MOTIP Chain Cleaner Gel. The gel structure ensures an optimal cleaning effect. Chain Cleaner Gel is a fast-dissolving cleaner for chains and sprockets. Chain Cleaner Gel has an optimal cleaning effect due to its unique formulation (a combination of the gel structure, the emulsifying properties and low evaporation rate). It removes grease and dirt with ease. Chain Cleaner Gel has a powerful jet-spray and a 360° valve.

**Ord.-no:** 000275

### Quality & properties

- Removes oil and grease
- Emulsifying (dirt can be removed with water)
- Powerful jetspray
- Gel structure
- 360° valve
- High dissolving properties

### Physical & chemical data

- Base: Aliphatic hydrocarbons
- Colourname: no colour
- Smell: Characteristic
- Surfaces: Chain and gear wheels (Bike)
- Minimum Working Temperature: 10 °C
- Maximum Working Temperature: 25 °C
- Flash point: n.a.
- Storage stability: 10 years
- Content: 400 ML

### How to use

- Before use, carefully read the directions on the packaging and act accordingly.
- The aerosol should have room temperature.
- Best processing temperature 10 to 25°C
- Before use, shake the aerosol.
- Spray the parts to be treated generously.
- Allow to take effect for some minutes, slowly rotating the chain.
- Hose down with water

### Environmentally sound

European Aerosols is committed to apply formulations without restricted or critical ingredients and to achieve best possible performance. The caps and packagings are made of recyclable material.

### Disposal

Only the completely emptied cans should be put into the recycling skip or appropriate container for reclaimable refuse. Cans which are not empty should be disposed off as "special refuse".

### Marking/Labelling

All products made by European Aerosols comply with the actual labelling regulations according to Preparation Guideline 1999/45/EG. All aerosols correspond to TRGS 200 and TRG 300 as well as to aerosol guideline 75/324/EWG in the actually valid version.

**As of August 4, 2025** – This release replaces all eventually earlier issued versions.
