Product Full Name: Turtle Wax Fresh Shine Cockpit Shine

Long form Description:

Turtle Wax Fresh Shine is an interior plastic protectant with a long lasting premium fragrance and adjustable level of shine. It's like getting 4 products in 1, clean, shine, remove odors and refresh all in one step!

This state of the art formula contains mild water based surface active agents and gentle solvents safely remove common soils plus it dissolves stubborn greasy films associated with automotive grime. Silicone polymers enhance interior color without leaving an artificial oily shine. It also creates an anti-static shield that repels dust and dirt and gives a long lasting lustre to dashboards, door trim and roof linings. UV absorbing chemistry helps prevent fading, drying and cracking of exposed interior plastics. Finally, the odor eliminating technology neutralizes and destroys offensive odors, leaving a fresh fragrance that lasts up to 8 days.
