**Product Full Name:** Turtle Wax Insect Remover

**Long form Description:**

Turtle Wax Insect Remover is an all one solution for the removal of tough exterior stains such as tree sap, insect remains and bird droppings. Non-drip formula provides total control for precision spot cleaning. The liquid gels on surface contact to increase dwell time, ensuring efficient dirt and stain removal.

**Short Description:**

Turtle Wax Insect Remover is an all one solution for the removal of tough exterior stains such as tree sap, insect remains and bird droppings.

**5 Bullets:**

- High active detergents break down insect debris, bird droppings and sap
- Can be used as pre-wash before normal car wash or as a spot cleaner
- Thixotropic formulation sprays like a liquid then gels on surface contact to increase dwell time
- Safe for use on metal, paint plastic & glass

# Product Usage

## How To Use:

1. Rinse the surface with water to remove any grit.
2. Spray onto surface from 6 -8 cm away and leave for a minute.
3. Wipe away with a soft cloth or sponge and allow to dry.
4. Remove any streaks with clean area of cloth.

## Turtle Tips:

Avoid direct sunlight and do not use if surfaces are hot to touch. On badly tarnished surfaces, a second application maybe required.

## Accessories:
