Product Sell

Turtle Wax Carpet & Mats Heavy-Duty Cleaner is a specialized cleaning product designed to effectively remove tough stains, dirt, and grime from automotive carpets and mats. The powerful formula is safe for use on all types of carpets and mats, including those made of nylon, polyester, and other synthetic materials.

The Carpet & Mats Heavy-Duty Cleaner features an advanced cleaning formula that penetrates deep into carpet fibers to dissolve and remove tough stains, leaving your carpets and mats looking and smelling fresh. It is also safe for use on upholstery and fabric surfaces.

The product comes in a convenient spray bottle for easy application. Simply spray the affected area and allow the product to penetrate for a few minutes, then agitate the area with a soft-bristled brush or sponge. Finally, blot the area with a clean towel or sponge to remove any excess product and dirt.

Turtle Wax Carpet & Mats Heavy-Duty Cleaner is an essential product for any car owner looking to maintain the appearance of their vehicle's carpets and mats. It is safe, effective, and easy to use, making it a great choice for removing even the toughest stains and grime from your car's interior.

Product Usage

How To Use:

1. Vacuum the carpet or mat to remove any loose dirt or debris
2. Spray the affected area with the product and allow it to penetrate for 1-2 minutes
3. Agitate the area with bristle brush until foam disappears. The brush can be removed for easy scrubbing by pressing the button on the back of the brush and then sliding the brush upwards
4. Wipe area with a clean microfiber towel and vacuum when dry
5. Repeat the process if necessary for heavily soiled areas

Accessories:

- Microfiber Towel

Partner Products:

- Turtle Wax Interior 1 Multi-Purpose Cleaner

Technical Fact Sheet

Product Name: TURTLE WAX CARPET & MATS - 50209

Product Concept:

TURTLE WAX CARPET & MATS heavy-duty cleaner's deep cleaning foam removes ground-in stains, coffee, grease, salt, oil & more. Our exclusive Odor-X® Technology destroys odors at the molecular level. OXI powered formula restores like-new looks to your carpet & mats. The patented MicroScrub Brush detaches from the can at the click of a button. The firm bristles are engineered to reach deep into carpet fibers and rubber mat crevices to remove the toughest stains. Use the diamond plate on the bottom of the brush for more aggressive scrubbing.

DIRECTIONS:

General Cleaning: Vacuum any loose dirt. Shake can well and spray evenly onto carpet. Rub foam into carpet fibers with bristle brush until foam disappears. The brush can be removed for easy scrubbing by pressing the button on the back of the brush and then sliding the brush upwards. Wipe area with a clean cloth and vacuum when dry.

For Tough Stains/Spot Removal: Allow up to a minute for the foam to dwell on stained areas before scrubbing. Repeat application as needed to resolve set-in stains. Test cleaner first on an inconspicuous area, and if adversely affected, refrain from use.
