

MOISTURE ABSORBER COMPACT

THE COMPACT SOLUTION TO HUMIDITY PROBLEMS

APPLICATION

Directions for use:

Open the packaging and remove Moisture Absorber Compact from it. Fix the suspender, if required, into the holes meant for that purpose. Place the Moisture Absorber Compact with the printed side facing down/against the wall in the (small) space where the problem with moisture is encountered. When it feels as if Moisture Absorber Compact is completely filled with gel, then it is exhausted/saturated. Moisture Absorber Compact can then be disposed of as household waste.

Points of attention: Avoid direct contact with metal, leather or other delicate materials with the unprinted/white side of the bag.

TECHNICAL SPECIFICATIONS

Chemical base:	Calcium chloride
Colour:	White
Scented:	Yes

STORAGE CONDITIONS

Store in well-sealed packaging in a cool, dry and frost free place.

PRODUCT DESCRIPTION

Moisture Absorber Compact combines the reliable operation (moisture absorption) of Moisture Absorber with maximum convenience. Moisture Absorber Compact provides protection against moisture problems and their consequences, such as mould, water damage, rust and stale smells.
