PRODUCT DESCRIPTION

Crystal-clear tape of superior quality. Sticks firmly and doesn't yellow. Can easily be torn by hand. Also available in handy dispensers with metal blade for a neat cut. For many uses at home, at school and in the office.

FIELD OF APPLICATION

For 1001 applications at home, at school and in the office - like wrapping, fastening, fixing, packing and much more.

PROPERTIES

· crystal-clear
· high adhesion
· no yellowing
· can easily be torn by hand
· solvent-free
· unwinds without noise
· tape width 19mm

PREPARATION

Surface Requirements: The surface must be clean, dry and free of dust and grease.

APPLICATION

Points of attention: Do not touch the adhesive as this reduces the adhesive strength.

Our advice is based on extensive research and practical experience. However, in view of the large variety of materials and the conditions under which our products are applied, we assume no responsibility for the results obtained and/or any damage caused by the use of the product.
