PROTECTS

## PRODUCT DESCRIPTION

STP® Professional Heavy Duty Carb Spray Cleaner is designed to quickly remove gum, sludge, varnish, grease and dirt from carburetors linkage and automatic chokes. Regular usage of this carb cleaner spray will ensure prevention of dirt build up.

### How it helps:

- ✓ Prevents dirt from building up
- ✓ Removes grease and dirt
- ✓ Keeps carburetors linkage and automatic chokes clean

### ⚠ TAKE NOTE!

Avoid spraying or dripping on exterior body paint, natural or synthetic plastics or rubbers. IMMEDIATELY flush with water if contact occurs. Can cause wax and paint streaking.
